Hole	Par	Yards (Back Tee)	Legend
1	4	361	A dog leg right downhill Par 4, with trees right and left.
2	4	315	Uphill Par 4 to an elevated green.
3	5	506	The 3rd hole winds through really tall oaks and pines, a straightaway hole, fairways up and down.
4	4	417	Dogleg right Par 4 out of a tight shoot of trees. Historically the signature hole at Longhills. (Bud Busken's favorite hole.)
5	3	125	This Par 3 is modeled after the 12th hole of Augusta National. This is a new hole to Longhills.
6	4	408	Another new hole; this straight away Par 4 green is very undulating. This hole is built where a few of the practice holes used to be.
7	4	315	Dogleg right Par 4 hole through oaks & pines. Green is in the shape of a boomerang at this new hole.
8	3	115	Another new hole; a two-tiered green in which you have to hit your shot over a pond; a giant mound guards the backside of the green.
9	5	512	The 9th hole, a dogleg right hit over a pond, the green is a three level green.
OUT	36	3074	
10	3	171	Downhill hole to a narrow green hitting through the pine trees.
11	5	529	Straightaway Par 5 hole with a creek down the right side, playing through the homes of Longhills Village. The green is grounded by a small pond on the right.
12	4	352	Straight uphill Par 4 tee-shot hits over a pond, another hole through the beautiful homes of Longhills Village.
13	4	392	Dogleg right, Par 4 giant grass bunker down the left side of the hole. Big trees to the right, keeping the golfer from cutting to the corner with a tee-shot. The green is a hog-back green.
14	4	360	Dogleg left Par 4, I like to call this the "Scoreboard Hole" because for many years Mr. Busken had a scoreboard by the tee-box.
15	3	120	Over a pond to a two-tiered green, very much so a postage stamp Par 3.
16	4	415	Dogleg left Par 4, fairway slopes from right to left. Big trees down the left side guard Longhills Village homes. Green is a smallish green.
17	4	391	Straightaway downhill Par 4 to a long slender green guarded in front by a creek and a pond on the left.
18	5	472	Straightaway Par 5 with a tee-shot over a pond, fairway is tight, green is very treacherous and will be a great finishing hole. Because of the difficulty of the 18th green, this is very much so a risk reward Par 5.
